		Analgesic, Antipyretic & Anti-Inflamatory Drugs																																																		
1	1	Inj. Diclofenac Sod. 25 mg	1000																																																1000
2	1	Inj. Pethidine Hcl. 50 mg																																																		
3	1	Inj. Paracetamol	1000		1000	1000	1000	1000	1000			1000	1000		1000	1000		1000	1000	1000	1000	1000	1000	1000	1000	1000	1000		1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	46000
4	1	Inj. Pethidine Hcl. 100 mg									500	500	500															500	500	500	500	500																			5000
5	1	Inj. Pentazocine				100				100																																										400
6	1	Inj. Tramadol		100																																															100
7	1	Inj. Tramadol										100										100																													200
8	1	Inj. Diclofenac Sod.																																																		
		Antacid																																																		
9	1	Inj. Ranitidine Hcl. 50 mg	1000	1000	1000	1000	1000	1000	1000		1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	47000
10	1	Inj. Omeprazole Sod.																																																		
11	1	Inj. Pantoprazole																																																		
12	1	Inj. Rabeprazole																																																		
		Antiallergic & Vasodilator Drug Injection																																																		
13	1	Inj. Chlorpheniramine Mal.																																																		
14	1	Inj. Diphenhydramine																																																		
15	1	Inj. Pheniramine Mal.																																																		
16	1	Inj. Cinnarizine																																																		
		Antiallergic & Vasodilator Drug Tablets																																																		
17	1	Tab. Chlorpheniramine Mal.																																																		
18	1	Tab. Diphenhydramine																																																		
19	1	Tab. Pheniramine Mal.																																																		
		Antibiotics, Antifungal, Antiviral & Antiparasitic																																																		
20	1	Inj. Amoxycillin Sod. 1g																																																		
21	1	Inj. Ampicillin Sod. 1g																																																		
22	1	Inj. Ampicillin Sod. 500 mg																																																		
23	1	Inj. Cefotaxim Sod. 1g																																																		
24	1	Inj. Cefotaxim Sod. 500 mg																																																		
25	1	Inj. Ceftriaxone Sod. 1g	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	47000
26	1	Inj. Ceftriaxone Sod. 500 mg																																																		
27	1	Inj. Cefoperazone Sod.																																																		
28	1	Inj. Ceftazidim Sod.																																																		
29	1	Inj. Ceftazidim Sod. 500 mg																																																		
30	1	Inj. Cefepime Hcl. 1g																																																		
31	1	Inj. Cefepime Hcl. 500 mg																																																		
32	1	Inj. Gentamycin Sul. 80 mg																																																		
33	1	Inj. Amikacin Sul. 500 mg																																																		
34	1	Inj. Metronidazole	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	1000	47000
35	1	Inj. Metronidazole 100 ml																																																		
36	1	Inj. Ciprofloxacin Hcl. 200 mg																																																		
37	1	Inj. Ofloxacin																																																		
38	1	Inj. Ofloxacin 100 ml																																																		
39	1	Inj. Azithromycin																																																		
40	1	Inj. Ceftriaxone Sod. 250 mg																																																		
		Antiemetic Antivertigo & Antiseptic Vasodilator																																																		
41	1	Inj. Metoclopramide																																																		
42	1	Inj. Prochlorperazine																																																		
43	1	Inj. Cinnarizine																																																		
44	1	Inj. Promethazine																																																		
		Antiulcer																																																		
45	1	Inj. Cimetidine																																																		
		Antiulcer																																																		
46	1	Inj. Pantoprazole																																																		
47	1	Inj. Rabeprazole																																																		
		Antiemetic Antivertigo & Antiseptic Vasodilator																																																		
48	1	Inj. Metoclopramide																																																		
49	1	Inj. Prochlorperazine																																																		
50	1	Inj. Cinnarizine																																																		
		Anti Malarial																																																		
51	1	Inj. Artemether																																																		
		Antimalarial, Antiamoebic & Antiverminic																																																		
52	1	Inj. Quinine Hcl.																																																		
53	1	Inj. Quinidine																																																		
54	1	Inj. Chloroquine																																																		
55	1	Inj. Chloroquine Phosphate																																																		
56	1	Inj. Emetine Bis.																																																		
		Anti Allergic, Antitussive & Expectorant																																																		
57	1	Inj. Dexamethasone	1000	750			500	500	500		500		500	500								500						500																							9750
58	1	Inj. Hydrocortisone																																																		
59	1	Inj. Betamethasone																																																		
60	1	Inj. Phenylbutazone Sodium 200																																																		
		Antihistaminics & Bronchodilator																																																		
61	1	Inj. Chlorpheniramine Mal.																																																		
62	1	Inj. Diphenhydramine																																																		
63	1	Inj. Pheniramine Maleat 22.4																																																		
64	1	Inj. Aminophylline	500	500	500			500	500	500		500	500	500	500							500						500	500	500																					8500
65	1	Inj. Deriphylline																																																		
66	1	Inj. Salbutamol																																																		
67	1	Inj. Terbutaline Sulphate 0.5																																																		
		Anti Dotes																																																		
68	1	Inj. Atropine Sul.																																																		
69	1	Inj. Adrenaline																																																		
70	1	Inj. Dopamine																																																		
71	1	Inj. Dobutamine																																																		
72	1	Inj. Naloxone																																																		
73	1	Inj. Neostigmine Mt.																																																		
		Cardiac Drugs & Potassium																																																		
74	1	Inj. Potassium Chloride																																																		
		Drugs Delivery & Excipient																																																		
75	1	Inj. Dextrose 5%	500		500	500	500		500	500		500		500								500	500	500	500	500	500		500	500	500	500	500																		9500
